

BUILD MY HOUSE

Words and Music by
ADAM HAYNES

VERSE 1

Some people build their houses on sinking sand
That will not stand
Some people live in this life all alone and their house
Is never a home.
But as for me, I will

CHORUS

Build my house upon that Rock
With its foundation so strong.
I will build my house upon that hill
With two beams of wood,
Two beams and three nails.

VERSE 2

When times get tough people turn the other way
And their faith does not stay.
But Jesus Christ came and He gave His life for our sins
So that we can win
And live with Him—for all time, I will

REPEAT CHORUS

BRIDGE

But on that hill that day, Jesus Christ took my sins away.
And when everything else is gone, Jesus Christ is still there.
So I will.

REPEAT CHORUS

TAG

I will build my house (I will build my house)
I will build my house (on that Rock)
I will build my house (I will build my house)
With two beams of wood, two beams and three nails.
