

# **I Am. I Do.**

*Words and Music by*  
ADAM HAYNES

## **VERSE 1**

*This morning I needed Your help  
Tonight I will need it again  
I couldn't find you  
What happened to the Savior I cried for  
Can You hear my words  
Just come to me, let me hear Your voice*

## **VERSE 2**

This morning I saw you crying in bed  
I whispered I love You & you turned your head  
You wouldn't hear me.  
What happened to the woman I died for  
You're in the dark  
Just close your eyes and listen for my voice

## **CHORUS**

*Where are you now?  
I'm right here behind you.  
Why can't I feel you?  
I'm longing to hold you.  
I thought you said you would always be here. I am!  
Why can't I see you?  
Child, turn around.  
I'm running to find you.  
I'm running to catch you.  
I thought you said you adore me so much. I do!*

## **VERSE 3**

*How can I be so sure  
I would never break my word  
I've heard this all before  
Just come to me, let me change your world*

## **REPEAT CHORUS**

Are you willing? *I am.*  
Do you love me? *I do.*  
Are you with me? *I am.*  
Do you love me? *I do.*  
Do you love me? *I do.*
