

# **LITTLE IS MUCH**

*Words and Music by*  
ADAM HAYNES

## **VERSE 1**

All that I have everything I give you my Lord  
Take what you will use me despite how I feel  
Take my two fish    Take my five loaves  
Take it and multiply

## **CHORUS**

Oh, the little that have and the little that I am  
The little that I offer is much to you  
Oh, the little that I know and the little that I see  
Take it and use it for Thee  
For little is much to You

## **VERSE 2**

So many time I fall on my knees and I cry  
Just in the way, thinking how useless am I  
Then his voice echoes in my ear  
If you weren't important you wouldn't be here.

## **REPEAT CHORUS TWICE**

## **TAG**

Little is much to You
