

THIS IS THE WINE

Words and Music by
ADAM HAYNES

VERSE 1

Time has caught up with me and fear its company
A famine in this little life I've found
With only bittersweet memories to wash it down

BRIDGE

Then this man comes to me and offers a cup full of promises to keep
A covenant by his blood. A demonstration of His love

CHORUS

This is the wine that Jesus poured for me
This is the wine that he spilled on Calvary
And as this wine falls upon my lips
No bitterness. No guilt. No sorrow. No regret
Just a sweet refreshing drop that satisfies my soul

VERSE 2

Time is wilting away. Things left for tomorrow are here today
And as the setting sun beckons, I run my weary legs
Tired, exhausted, and thirsty I beg

REPEAT BRIDGE

REPEAT CHORUS TWICE

TAG

Then this man comes to me and offers a cup full of promises to keep
